

ENEZIZ

PREMIUM SOLID VINYL TILES

STRONG & DURABLE

Unlike normal vinyl floors, Geneziz can withstand changing temperature conditions. The stability of the vinyl plank makes it a better option for large area flooring as compared to conventional vinyl planks.

XL
FORMAT

Geneziz XL, the Extra large vinyl planks to give you an impression of a spacious and elegant interior. Each vinyl plank is further enhanced with a satin matte finish on the surface of the planks.

5G
LOCKING
SYSTEM

The 5G fold down locking system is based on a single action installation method making floor installation fast and simple. The unique locking system eliminates the gaps between the boards and decreases the risk of squeaking joints.

Made from rigid vinyl, Geneziz has a solid core that has anti-telegraphy properties and is easy to install. This feature effectively eliminates print-through effects.

ANTI TELEGRAPHY

7.50 mm
THICKNESS

Unlike normal vinyl floors, Geneziz can withstand changing temperature conditions. The stability of the vinyl plank makes it a better option for large area flooring as compared to conventional vinyl planks.

2MM
SILENCER

Geneziz vinyl floor reduces footfall noise with its 2.0 mm acoustic underlayment and gives your barefoot a comfortable walking experience. The vinyl floor is quiet even when walking with your shoes on.
